

Student/Parent Chromebook Use Agreement 2023 - 2024

CHROMEBOOK USE AGREEMENT

Students enrolled in DES LACS BURLINGTON PUBLIC SCHOOLS will be issued a Chromebook for instructional usage. Your knowledge of the policies described below, as well as your support in helping DES LACS BURLINGTON PUBLIC SCHOOLS in implementing these policies, is critically important.

Following are the requirements that accompany school-issued Chromebooks.

A. Terms of Chromebook Use Agreement

Before a Chromebook can be issued to your child you must sign and return the “Student/Parent Chromebook Use Agreement” form included below.

Students will still be responsible for fees associated with damaged, lost, or stolen Chromebooks.

It is important for you and your child to comply at all times with United Public School District #7 Acceptable Use Policy, incorporated herein by reference and made a part hereof for all purposes, as well as the guidelines for acceptable use of technology resources established in Board Policy and the Student Handbook.

Any failure to comply may result in termination of your rights of possession effectively immediately.

B. Title

United Public School District #7 (UPSD7) has and shall at all times under this agreement maintain legal title to the Chromebook. Your right of possession and use is limited to and conditioned upon your full and complete agreement with the terms of this Chromebook Use Agreement. All activity on the Chromebook, as well as any K12/O365 and Google accounts issued by UPSD7, whether conducted at school or off site, is subject to search by designated UPSD7 staff, in accordance with UPSD7 policy and applicable law.

C. Loss or Damage

If the Chromebook issued to a student is deliberately damaged, lost, or stolen, you are responsible for the reasonable cost of repair or for its fair market value on the date of loss.

- * Original cost of a Chromebook to UPSD7 is currently \$230
- * Power adapter replacement \$40

Loss or theft of your assigned Chromebook must be reported immediately to your Homeroom Teacher, and in no event later than the next school day after the occurrence.

In the event of a lost or stolen Chromebook, UPSD7 may disable the Chromebook remotely to protect the device and/or data on the device.

If a Chromebook is stolen and you report the theft (by the next school day), you may not be charged for a replacement, provided the loss is not a “mysterious disappearance.”

You will be charged the fair market value of the Chromebook if lost, stolen, and not reported, deliberately damaged, or vandalized (see Fair Market Value Chart above).

UPSD7 will not pay for loss or damage caused by or resulting from the following:

1. Dishonest, fraudulent, or criminal acts.
2. Loss caused by your failure to use all reasonable means to protect the device that has been damaged.
3. Disappearance not reported.
4. The UNITED PUBLIC SCHOOL Superintendent has the final say in determining replacement and repair situations.

D. Repossession

If you do not timely and fully comply with all terms of this Chromebook Use Agreement, including the timely return of the Chromebook, DES LACS BURLINGTON PUBLIC SCHOOLS shall be entitled to temporarily or permanently suspend use of the Chromebook.

E. Term of Agreement

Your right to use and possession of the Chromebook terminates not later than the last day of the school year, unless earlier terminated by DES LACS BURLINGTON PUBLIC SCHOOLS or upon a student's withdrawal from DES LACS BURLINGTON HIGH SCHOOL.

F. Appropriation

Your failure to timely return the Chromebook and the continued use of it for non-school purposes without the consent of DES LACS BURLINGTON PUBLIC SCHOOLS may be considered unlawful appropriation of DES LACS BURLINGTON PUBLIC SCHOOLS property.

G. Claim/Repair Procedures

In cases of theft or disappearance UNITED PUBLIC SCHOOLS shall file a Police Report and an investigation must commence before a replacement device is issued. The Police Report must also directly mention the loss of the device and the circumstances surrounding the loss.

If a repair is needed due to accidental damage, please notify your Homeroom teacher. At this time cosmetic damage will not be repaired if the Chromebook is operational. A loaner may be issued, depending on the circumstances and at the Superintendent's discretion.

Only a limited number of loaner Chromebooks are available, so receiving a loaner is not guaranteed. In accordance with applicable law, additional fees may be charged if the Chromebook is repeatedly or deliberately damaged.

H. General Chromebook Rules

Inappropriate Content

- Students are not allowed to access, view, and or store inappropriate content or materials on Chromebooks.
- Presence of weapons, pornographic materials, inappropriate language, threatening language, alcohol, drug, gang related symbols, or pictures will result in disciplinary action.

- All viewed websites are monitored, and administration is alerted of any misuse.

Legal Propriety

- All Chromebook users must comply with trademark and copyright laws and all license agreements. Ignorance of the law is no excuse for violations of such laws or agreements. If you are unsure, ask the Homeroom Teacher.
- Plagiarism is a violation of the UPSD7 rules. Give credit to all sources used, whether quoted or summarized. This includes all forms of media on the internet, such as graphics, movies, music, and text.

No Loaning or Borrowing Chromebooks

- Do not loan your assigned Chromebook to other students.
- Do not borrow a Chromebook from another student.
- Do NOT share passwords or usernames.

Unauthorized Access

- Students are expected to plug the Chromebook in the appropriate cart/cabinet at the end of the school day. If they take the Chromebook home they are to charge it over night with provided power adapter.
- In cases where the battery runs out, students will not be able to use their Chromebook. The Chromebook must be returned to the appropriate corresponding cart/cabinet to be charged for later use.

General Precautions

- Avoid using any sharp object(s) on the Chromebook. The Chromebook will scratch, leading to the potential for needed repairs.
- Chromebooks can be cleaned with a soft, lint free cloth. Avoid getting moisture in the openings. Do not use window cleaners, household cleaners, aerosol sprays, solvents, alcohol, ammonia, or abrasives to clean the Chromebook.
- Do not attempt to gain access to the internal electronics or try to repair a Chromebook. If a Chromebook fails to work or is damaged, report the problem to your Homeroom teacher.
- Never throw or slide a Chromebook.
- Always open the Chromebook from the center of the screen and not from the corners. Opening the device from the corners creates additional stress on the screen and may lead to the screen cracking.
- Chromebooks must remain free of any writing, drawing, stickers, or labels that are not the property of DES LACS BURLINGTON PUBLIC SCHOOLS.
- Chromebooks have a unique identification number and at no time should the numbers or labels be modified or removed.
- Chromebooks must never be left in an unlocked locker, on top of a locker, in any unsupervised area, or in a vehicle or location that is not temperature controlled.
